## General Care Philosophy

Linen is a living, natural fabric shaped by time and touch. Its gentle creases are not imperfections, but a reflection of authenticity and relaxed elegance. With every wash, linen becomes softer, more comfortable, and more personal. Made from natural fibers and designed to last, linen is a responsible choice that supports a more sustainable way of living. Proper care allows the fabric to age beautifully, preserving its durability, character, and timeless appeal for years to come.

# Linen Care & Washing Guide

### Washing

- Machine wash at 30°C / 86°F
- Use a gentle cycle
- Wash with similar colors
- Use mild detergent
- Do not overload the washing machine

### Drying

- Air drying is recommended
- If using a tumble dryer, select low heat
- Remove while slightly damp to reduce wrinkles

### Ironing

- Iron while the fabric is slightly damp
- Use medium to high temperature
- Steam ironing is suitable for linen

### Bleaching

- Do not bleach
- Avoid optical brighteners and harsh chemicals
