# *Our Story*

*The desire to be in touch  
with nature was the reason for the birth of Dnz Baysan Tekstil  
and with this motivation we presented our brand to you.*

*Based on the principle that in order to be stronger with nature,  
we must first strengthen and live with it,  
we have determined the starting point of our brand by using  
100% natural fibers and being inspired by the colors in nature.*

*Our brand, which we created by considering the living spaces of children,  
parents and all individuals, aims to process natural fabrics  
with high technology and to grow together with you.*

*The collection vision of our brand is comfort,  
health and comfort in all our products.*

*It is in our hands to protect the future of our nature.*
